Hydrafacial™

## What is a Hydrafacial?

A non-invasive treatment that improves skin health, addresses individual concerns, and creates a glow like no other using proprietary technology.

Our device fuses to skin, creating a vortex that gently opens pores to easily remove impurities and deeply infuse nourishing ingredients.

# Meet Our Magic Wand

- Non-invasive
- Uses a patented Closed Loop System to keep the gunk and the good stuff separate
- Adjustable suction level based on skin type and extraction needs
- Infuses targeted boosters based on your skin concerns

# It All Comes Out in the Gunkie!

See what's hiding under your skin, like:

- Bacteria
- Makeup
- Dead skin
- Pollutants

EVERY HYDRAFACIAL BEGINS WITH 3 ESSENTIAL STEPS...

# Treatment Overview

STEP 1

## Cleanse

Deeply cleanses and exfoliates with a gentle peel to uncover a new layer of skin.

STEP 2

## Extract

Removes impurities from pores with painless gentle suction.

STEP 3

## Hydrate

Saturates the skin's surface with intense moisturizers and nourishing, personalized ingredients.

# What Are Your Skin Concerns?

- Fine lines and wrinkles

- Dull, fatigued, or stressed skin

- Dehydrated skin

- Chronically dry or damaged skin

- Congested skin and acne scars

- Uneven skin texture

- Redness

- Dark spots and pigmentation

# Personalize Your Treatment Based on Your Concerns

## Sculpt with Lymphatic Therapy

If you're looking for a more contoured, lifted look, Lymphatic Therapy is another great way to personalize your treatment and prepare the skin for active ingredients. Benefits include:

- Reduces puffiness and redness
- Removes impurities for improved healing times
- Prolonged & expedited results

# Nourish With Boosters

- What is a booster? A potent, concentrated serum that can be added to your treatment to address specific skin concerns
- Hydrafacial creates its own exclusive serums and partners with the best names in skincare to offer solutions for every skin goal
- We'll assess your skin and concerns to help choose the right booster(s) for you!

## Rejuvenate with LED Therapy

Professional strength LED Light Therapy converts into cellular energy to soften full face wrinkles and calm acne and inflammation.

- Red LED: Stimulates collagen activity
- Blue LED: Kills acne-causing bacteria
- Delivers immediate and cumulative results
- Good for all skin types
